

‘In The Pink’ Derby

Saturday, August 19, 2017

Huron Valley Equestrian Grounds
(Just North of Milford High School)

We are the Huron Valley Equestrian Committee (H.V.E.C.), a non-profit 501c3 organization which is comprised of parents, students, and community members. Our roots go back to the early seventies, when Milford High School helped organize the first high school equestrian meet in the state. Today, 380 high school teams, and greater than 2,000 riders compete within the Michigan Interscholastic Horseman’s Association; gaining self confidence, team building skills and valuable life lessons. The Huron Valley School District is fortunate to have the only high school equestrian field in **Michigan. The H.V.E.C., through the volunteer efforts, support and maintain these grounds and its activities. We thank you for your continued support.**

On Saturday, August 19, 2017, the H.V.E.C. will once again host the **IN THE PINK Derby**, a sweepstakes horse show that includes events for the horse & rider and even the non-rider! Each year, the half of the proceeds from this horse show are donated to provide funds for mammograms for the uninsured or underinsured women in our community. We are proud to support **St. Joseph Mercy Oakland’s Nationally Accredited Breast Cancer Program**. Come out and enjoy lunch, bid on silent auction items, or watch horses and riders run “the barrels”. You can check the website for more information on the variety of classes we offer for this show. By the way, no need for show clothes – we encourage all of our riders to ride *In the Pink* and show their support. Visit www.hvec.info

Please consider helping this worthy cause in one or more ways:

SPONSOR A SWEEPSTAKES CLASS - \$100

Receive the recognition your business deserves *and needs*. Put your business in the spotlight with an ad in July and August issues of Saddle Up Magazine.

Your business name will be printed in the show bill and announced before, during and at the end of the class. A sponsorship table will be available to place business cards or flyer.

You get all the credit! By sponsoring a class, you will increase community support (not to mention it is tax deductible)

DONATE SILENT AUCTION ITEMS

Move some of your items and get a tax deduction! We will showcase your donation for patrons to bid on throughout the day.

Increase your store traffic by providing gift certificates. Decide the amount and remember that winners will most likely spend more than the certificate amount!

Gain new customers to build your business base with by reaching out to new consumers at a very low cost

My Tax Deductible Contribution is: _____ **Date:** _____

----- **Detach Slip and Mail to Address below** -----

Federal programs only serve 15% of the women eligible for mammograms. Your dollars will help a number of underinsured members of our community. Thank you.
